

Ho Hung Chiu Medical Education Foundation Lecture

Degenerative Disorders of the Vertebral Column *Anatomical and Imaging Correlation*

Date : 3rd April 2009 (Friday)

Speaker : **Professor Donald Resnick**
Professor of Radiology
University of San Diego
USA

Venue : **Ching Room**
Sheraton Hotel
20 Nathan Road
Tsimshatsui, Kowloon

Programme:

6:30 – 7:00pm : **Reception**

7:00 – 8:00pm : **Lecture**

8:00 – 9:30pm : **Dinner**

Does spine imaging make up a significant part of your daily practice? Would you like to have an in-depth knowledge on the anatomical and pathological basis of degenerative disorders?

If so, this is a great opportunity for you to catch up with the authority on spine disorders and musculoskeletal imaging. Professor Donald Resnick - voted as the “Most Effective Radiology Educator” by AuntMinnie.com and listed as “One of the 20 most influential people in Radiology” - will personally take you on this tour of revision – AND DISCOVERY.

All are Welcome!!

Dinner kindly sponsored by Siemens Ltd.

Limited seats for lecture and dinner are available only on first-come-first-served basis.

RSVP: Monique Yeung
